GREY SWAN CAPITAL

Parent / Guardian Permission Form

Prize Winners · Student contest

Contact: **steve@greyswancapital.ai** Page: https://home.greyswancapital.ai/prize-winners/

Grey Swan Capital is starting a student contest in which junior high students may suggest improvements to our public work. If we use a student's suggestion, that student wins a prize. With a parent or guardian's written permission, we would like to feature the student on our Prize Winners page, on The Hornet's Nest podcast, and on Grey Swan social media. This is good for a student's resume. We will not post a student's name, photo, or quote until this form is signed.

We show a first name only on the public page, unless you give permission below to use a last name as well.
